

Resolution: DON'T MESS WITH TEXAS: PULL the PLUG! NOW!

BE IT RESOLVED that Governor Greg Abbott shall immediately call a Special Session to secure the 2024 November Presidential Election by executing the following:

- **CLEAN & DE-DUPLICATE** Texas voter rolls, completely removing names of deceased voters, those who have moved out of the county or state, and non-citizens;
- **FREEZE** Texas voter rolls (no adding of registrants)15 days before the election;
- **PRINT** poll books on paper with a separate paper Voter Roster which is handwritten by the poll workers;
- **IMPLEMENT** precinct only voting;
- **NUMBER** hand-marked paper ballots sequentially, starting with the Number One and **ACCOUNT** for all ballots through strong chain of custody procedures;
- **COUNT** ballots manually immediately after the polls close;
- **VERIFY** Absentee Ballots with strict signature verification and strict tracking/reporting mechanisms;
- **VIDEO AND RECORD** the entire hand counting process with video cameras on the ballots and counting stations and additional room camera(s) during the hand counting process;
- **POST** the video of the hand count process on the Counties' websites within 24 hours of the polls closing;
- **POST** the vote results on the Precinct Door as soon as the hand counting process is complete.
