

TEXAS EAGLE FORUM LOCAL SCHOOL BOARD RECOMMENDATIONS

GENERAL ELECTION NOVEMBER 5, 2024

NOTE: These are recommendations from trusted conservatives across the state. They do not represent an endorsement from Texas Eagle Forum except where we have offered one. Our hope is to get some better people on our local independent school boards who will protect our children and ensure they get a real education. In some of these races we are recommending the better of two non-ideal options hoping to move the board in a better direction.
